BREWERY + BAR + RESTAURANT + BREWERY TOURS + EVENTS & WEDDING VENUE

Come and join us to celebrate "Weihnachten" (Christmas in German) in the beautiful surroundings of the Templeton Building on Glasgow Green. Here at WEST the atmosphere during the lead up to Christmas will be warm, friendly and relaxing as we recreate the feeling of a traditional German Christmas. We will be serving lunch from 12 noon to 4 pm. Why not stay and enjoy a leisurely afternoon relaxing by the Christmas tree?

No visit to WEST would be complete without tasting at least one of our famous beers brewed in our beautiful copper-clad brew house, which you can view from our restaurant. Our 2011 Weihnachtsbier will be available from the 1st of December. The entire team at WEST are looking forward to welcoming regular and new guests to celebrate "Weihnachten" at Glasgow's brewery.
