WEST CORE BEERS v.

ST. MUNGO

4.9%

MALTY | CRISP | GOLDEN

Named after the patron saint of Glasgow and fellow brewer, this is our flagship Premium lager.

St. Mungo is a perfect hybrid of a traditional Bavarian 'Helles' lager and a Northern German 'Pils', which makes for a complex yet very drinkable beer. Its natural carbonation and firm crisp taste perfectly counters its malty body. We think St Mungo pairs with any food as it is such a balanced beer. We even use it in our fish batter in the restaurant.

2009 DLG German Gold Medal Winner.

WEST 4

4%

LIGHT | CITRUS | EASY-DRINKING

With all the balanced flavours of a traditional crisp, clean German lager, WEST 4 is light in colour and body. It strikes the perfect balance between malty sweet and bitter hop flavours to deliver an easy-drinking lager with a refreshing zesty finish. This is a particularly great beer for warm weather, beer gardens and BBQs.

HEIDI-WEISSE

5.2%

FRUITY | CLOUDY | BANANA

This Bavarian-style wheat beer is an homage to WEST founder Petra Wetzel's childhood in Franconia (and also the name of the original brewery dog!)

Brewed with 64% malted wheat, our Heidi-Weisse is a complex and refreshing beer of low bitterness and with top notes of clove and banana. Finished in a traditional unfiltered style, it is a great accompaniment to sweet and savoury foods, or the perfect fruity refreshment on a sunny afternoon.

MUNICH RED
CARAMEL | TOASTED | RUBY

4.9%

Brewed to our own unique recipe, this Munich style red lager uses a high proportion of toasted malted barley, which gives the beer its unique colour, smooth and creamy body, and sweet biscuit flavour.

This is a lager that may convert even the staunchest ale aficionado. We recommend Munich Red with heart warming stews.

GPA
FLORAL | GRASSY | DELICATELY HOPPED

5.2%

Our German pale ale is all about hops. A noticeable bitterness and dry finish make for a moreish beer with lots and lots of hop aromas.

GPA is a pale ale showcasing a balance between old world classic German hops and new world American hops. There are flavours of dried lemons and peppery spice while Hallertau Mittelfrüh adds a mild herbal quality. This hoppy beer goes extremely well with hot and spicy foods and we would strongly suggest a currywurst.

As German Purity Law prescribes that we must use WATER, MALTED BARLEY, HOPS & YEAST in our beer, this means that no WEST beers can be gluten-free.

We do have Estrella Daura 5.4% abv gluten-free beer available in 330ml bottles.

WEST DISCOVERY BEERS^{v.}

DRK 4.9% **MALTY | MILK CHOCOLATE | DARK**

Dunkel means dark in German and describes this beer perfectly. This milk chocolate brown sugar lager is full of toasty aromas with subtle flavours of chocolate and even coffee. Extra pale and light Munich malts are accented with roasted barley and caramel malts to give a mild, sweet, creamy finish. The perfect pint to end your meal alongside a cheeseboard.

FEIERABEND 4.6% **DRY | GRAPE | GOOSEBERRY**

'Feierabend' is a German phrase meaning 'the successful end of a working day'. This dry, single hopped pilsner is the perfect 'clocking-off' pint with its subtle fruitiness and hints of white wine.

Think a beer with all the flavours of Prosecco and the bitterness of a northern German pilsner. Enjoy with colleagues and share a WEST sausage platter.

WEST BLACK 4.6% **RICH | CHOCOLATE | COFFEE**

When we wanted to expand our ale portfolio, where better to look than porters and stouts.

This is our proud take on a rich and flavoursome stout using a German variety of black malt to give the anticipated black colour and all the flavours of liquorice through to chocolate and coffee to burnt toast. Caramel malts give an underlying rich sweetness and Herkules hops tie everything together.

We suggest pairing with cheese and crackers.

WEST DISCOVERY BEERS v.

WILD WEST 4.9% **FULL-BODIED | HAZY | GRAPEFRUIT**

This hazy golden lager is an easy drinking and well-balanced lager with a slight twist.

An unfiltered version of St. Mungo that has all the same grassy, spicy and herbaceous flavours and aromas, albeit turned up to 11, with a slight tang added from the yeast left in suspension. Wild WEST is a premium lager which finishes with a little more bite.

We think it's good with spätzle but any excuse really.

G40 4.2% **MALTY | CITRUS | TROPICAL**

G40 is a shining example of a golden ale. A perfect mix of wheat and aromatic malts give a fuller body and a beautiful backbone of bread-like malt sweetness. The fusion of hops (Herkules, Cascade, Chinook and Saaz) balance the beer with bitterness and deliver a big hit of fresh citrus and tropical fruit. Left unfiltered G40 pours hazy to the eye.
