As well as good transportation links, we also benefit from an adjacent car park where free parking is available.

Packages

We have a range of packages available to suit a variety of budgets and requirements. We are also fully flexible and can tailor packages where possible to meet your needs. If your loved one had a favourite dish that is not included on our list, please let us know and our talented chefs will endeavor to accommodate these wishes.

Frequently Asked Questions

What happens if more people turn up on the day than we were expecting?

We know that it can be hard to forecast the number of guests who will attend on the day. Should more guests turn up than you were expecting, we will do our best wherever possible to provide additional catering. Please note that this will be at an added cost and may be an alternative dish to the selected menu.

Can I store items with you the day before or the day after the reception?

Of course! If you would like to drop anything off the day before or leave anything with us until the following day, we will happily securely store them for you.

What happens if we are running late?

We appreciate that services can sometimes be subject to delays. If you suspect that you may be running 30 mins or more late, please give us a call and let us know.

Can our guests use the Car Park?

Everyone is welcome to use the adjacent Templeton on the Green Car Park. Please note, this car park is not owned or operated by WEST so they will need to register their car at the bar or parking fines may be incurred.

Can we play our own music?

We understand that you may wish to play special music at the reception. All of our spaces come with a PA system that you can use as long as your device has an aux port. If you would like to share photographs, we have a projector and screen available.

Is the venue wheelchair accessible?

Yes, we have ramp access at our main entrance on Binnie Place, as well as disabled toilets throughout the venue.

Is there somewhere I can be alone?

We appreciate that funeral receptions can be overwhelming. Our venue benefits from a small suite, which you are welcome to use, subject to its availability on the day, if you would like some time to reflect in private.

WEST Courtyard

Created in 2016, the WEST Courtyard can accommodate up to 120 guests for a seated meal or up to 200 guests for an informal standing reception.

The Courtyard is filled with natural daylight that floods in from the original Victorian windows and highlights the stunning features in the room. The main feature is a 15ft high wall of glass that acts as a viewing gallery into WEST's state of the art brewery below.

This space benefits from its own bar area, as well as a private suite which you can access if you need some time to reflect in private.

We do not charge Room Hire for Funeral Receptions, however, a minimum catering spend may be required. Details are available on request by calling our dedicated Team on 0141 550 0135 (option 2) or you can email us at events@westbeer.com.

The Hop Room

The Hop Room is perfect for smaller, more intimate receptions. It can accommodate up to 60 guests for a seated meal or an informal standing reception.
